

D180

mPOS Terminal

PAX's D180 is a compact, stylish and cost-effective wireless MPOS terminal, PCI PTS 3.x certified, which connects to a wide range of Smart Phones and Tablet Computers. The D180 delivers a seamless transaction experience: easy to use, convenient and fast. Supporting Bluetooth and USB communications, the D180 streamlines your payment business whenever or wherever necessary.

Acquirers and Processors can generate new revenue streams by enabling a whole suite of new Merchant categories to accept card payments. The advanced architecture used inside the D180 allows software programmers to write software applications faster and reduce post-development and maintenance costs.

- Contactless, Chip, Magstripe
- Bluetooth Connectivity
- iOS, Android, Windows
- PCI PTS 3.x, SRED
- MasterCard MPOS
- Visa Ready
