TECHNO P14

TECHNO P14 is a smart electronic payment terminal providing merchants with smart Android applications, alongside fast and secure payment. Powerful hardware combined with features like Barcode Scanner, GPS, Fast Printer and High-Capacity Battery, makes this device capable for a variety of different scenarios and creates a unique experience both for merchants and customers.

The TECHNO P14 smart electronic payment terminal is suitable for:

-  Various applications in retail stores,
-  Delivery services,
-  Chain stores,
-  Restaurants and cafes,
-  Parking lots.
